President's Message:

Welcome to a new exciting year for the ISACA Central Ohio Chapter. Again this year, the Board has decided to keep the luncheon fee structure from last year. To attend a monthly luncheon non-members will pay \$20, Members will still be charged \$15 and students \$5. If you successfully register online before the deadline, \$5 will be deducted from your charge. For example, if you are a non-member and register successfully before the deadline, you will be charged \$15. If you don't register before the deadline, you will be charged \$20 at the door. If you have any questions, please let me know.

I would personally like to acknowledge the new Officers, Board Members, and Committee Chairs and Committee Members. Thank you for all of the hard work you have put in so far. We are always on the lookout for additional help. This chapter and the services that the Officers and Board provide to you depend on the efforts of many volunteers. If you are looking for a way to hone your leadership skills, communication, or accumulate CPEs, contact myself or any of the Officers or Board Members.

I am very excited about this upcoming year. If you have any feedback or have any comments, please let me know. I look forward to seeing you all at our first meeting of this chapter year.
